Alka-Seltzer

The New Pain-Relieving, Alkalizing, Effervescent Tablet

Watch it bubble up, then drink it. You will be amazed at the almost instant relief.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.

After trying many brands of medicines—so-called relief for gas, and all of them a failure, I gave up hopes. By chance I tried Alka-Seltzer—am more than satisfied. Geo. Bennett, New York N. Y.

WEAK AND SKINNY MEN, WOMEN AND CHILDREN

Saved by new Vitamins of Cod Liver Oil in tasteless tablets.

Pounds of firm healthy flesh instead of bony thinness! New vigor, vim and energy instead of tired listlessness! Steady, quiet nerves! That is what thousands of people are getting from new discoveries in the vitamins of Cod Liver Oil concentrated in little sugar coated tablets without any of the horrid, fishy taste or smell.

McCoy's Cod Liver Oil Tablets, they're called "Cod Liver Concentrated" for short, are almost unbelievable. A little boy of 5 nearly sickly, got well and gained 16½ lbs. in just one month. A girl of thirteen after the same disease, gained 9 lbs. the first week and 21 lbs. the next. A man of 40 gained 10 lbs. the first week and as he says, after baby carriage got all her health back and gained 10 lbs. in less than a month.

You simply must try McCoy's at once. Remember that you are not taking a chance. Both Tablets and Capsules of Cod Liver Oil are guaranteed to put on flesh or your money back. Demand and get McCoy's—the original and genuine Cod Liver Oil Tablets

Approved by Good Housekeeping Bureau. Caution: Refuse substitutes. Insist on the original McCoy's—there are none better.

AGENT'S SERVICE: Its value is often overlooked by the policyholder because it has been rendered in too unobtrusive fashion

We see the work of many agent's and many of them give their assured, service that is literally beyond price.

That's are a few who do not give value received.

The competent agent who has rendered a full measure of service—and has impressed that upon his assured—has little to fear from competitors who sell their wares on price, who dangle a prospective "savin" of a few premium dollars before their prospect's eyes and carefully say nothing of the liabilities he will assume to get that "saving."

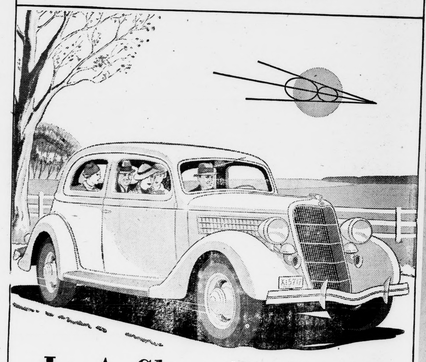
FORD V-8



In A Class By Itself

THERE is no way to compare the Ford V-8 with any other car because there is no other car like it.

The Ford enables you to step up into the fine-car class in performance, beauty, comfort and safety. But there is no stepping up in price. That is kept down by Ford low-profit policies and unique manufacturing methods. These are as different as the car itself.

It takes eight cylinders to give the modern performance you need these days. The Ford is powered by a V-8 — the finest type of eight-cylinder engine. You have to pay more than $2000 for that in any other car.
